ALLGÄUER BRAUHAUS - ALKOHOLFREIER WEIZENGENUSS

The non-alcoholic wheat beer enjoyment from the Allgau Alps impresses with its mildly sweet, drinkable taste, followed by its tangy, fresh character, which is rounded off by a finely bitter hop note.

Jever Fun 0,3% 0,33 | € 4,20

ALKOHOLFREIER PILSGENUSS

The ideal drink for everyone who wants the taste of real beer - but wants to avoid alcohol, still wants to be active or simply pays attention to their diet. Jever Fun contains <0.5 g of sugar and fewer calories thanks to the special brewing process.

Jever Fun is brewed as a full beer. Only then is the alcohol removed using a particularly gentle process, while the typical beer aromas are retained. This is how the Frisian-tart non-alcoholic enjoyment experience is created with character: striking. Fresh. Herb.
